520-471-9963     joemonreal23@icloud.com     6444 E. Cypress St., Scottsdale, AZ 85257

## Education:

**University of Arizona, Tucson, AZ**                                                    **August 2013 – May 2018**
- Bachelor of General Studies: *Focus in Emphasis in Science, Technology, Health & Society*

## Projects:

**Quotation Service - Web Service**
- Web service that stores user quotes within a database and enables users to register, login, and add quotes.

**Search with MVC - Web Service**
- Small web service using Model View Controller Architecture.

**Website Redesign Concept: Yoshimatsu Japanese Eatery:**
- Sushi restaurant in Tucson needed help in redesigning their website. I took the initiative by mapping out a proposal using Sketch to ensure the layout was user-friendly. Once the drafting phase was complete, I developed the front end design using HTML, CSS, and JavaScript.

## Experience:

**University of Arizona: Student Office Assistant, Tucson, AZ**                    **August 2015 - May 2016**
- Responsible for scheduling appointments for staff and students
- Managed social media accounts for the department in order to inform students of key events
- Assisted with advising appointments and met with future college students to discuss career goals
- In charge of office organization and office materials

**University of Arizona: ASUA SafeRide, Tucson, AZ**                              **August 2017 - May 2018**
- Responsible for providing safe rides to students on campus
- Involved in a team oriented environment that depended heavily on communication
- Practice and enforce policies for the safety of the riders
- Participate in the making of new policies for the safety of riders

## Professional Toolkit:

- Computer Languages: HTML, CSS, Javascript, PHP and Python
- Team Management: Trello, Slack
- Design/Prototyping: Sketch
- Analysis/Productivity: Microsoft Office Suite
- Database: MySQL
- Operating Systems: Microsoft Windows, MAC OS

## Skills:

- Excellent interpersonal skills that allow me to interact with diverse teams
- Self-starter, organized, motivated, and great with teams
- Bilingual and Bi-cultural and fully proficient in English and Spanish

## Extracurricular Activities:

- FreeCodeCamp.org, Codingbat.com, Pluralsight.com
- MiSA (Management Information Systems Association)
